Good morning Christiane,

As we are in the assessment stage, I would suggest that you reach out to Stuart Huxley, whose team is dealing with the matter for the time being. I have copied him on this message for ease of communication.

Good morning David,

Thanks again for taking the time yesterday to join our briefing to discuss the process for the City to obtain an Injunction.

As per your suggestion, the Chief followed-up with the City Manager, Steve Kanellakos who was in agreement with the City starting the Injunction process in the event it is necessary.

Can you please let me know which city lawyer (or law firm) will be assigned to this file? I would like to connect with them as soon as possible to discuss what information they will require from the OPS.

Thanks Christiane

Steve

Thank you for the call we just had and for your agreement to for the City of Ottawa commence the formal process of preparing for and seeking an injunction in regard to the demonstration.

My General Counsel Christiane Huneault will be the OPS lead on this matter. She will have the full support of the OPS to provide the information required by the City for this injunction application.

We recognize that the City will have the final say on whether or not to make the final injunction submission based on your own assessment.

Best regards,

ps
